

## **Greetings from Student Union POKA and tutors**

Congratulations for your study place at our university and welcome to Joensuu and Finland! We in the Student Union POKA and student tutors are waiting for you and ready to help to get settled in your new environment and feel home with us. Student Union POKA is your trustee at our university and you are welcome to join as member already during your first days here. The membership means also considerable benefits in travelling, eating out, shopping, culture and sports. And of course you are warmly invited to student events – coming up this autumn ITU welcoming events, Karelia's Academic Year Opening Festival followed by the Students' FAMKY kick-off event, Sports Afternoon and many more. Please visit POKA's web page [www.pokapoka.fi](http://www.pokapoka.fi) for additional info!

Tiia Kyllönen, [tiia.kyllonen@pokapoka.fi](mailto:tiia.kyllonen@pokapoka.fi)

Student tutoring is an important part of the guidance system at Karelia University of Applied Sciences. Tutors collaborate with the student union and university staff to make your study time here rich and memorable. Tutors provide the support in any matters which might concern you. Tutor group will be with you throughout your first study year. Tutors know our university and surroundings and have the chance to share experience and information with you – whether you have questions about your studies, travelling to Finland and Joensuu, living in Finland, student life, housing, activities or hobbies. Maybe we don't have all the answers but together we'll find out so just feel free to ask any of us!

### **Tutors of International Business 2020-2021**
